

ROLL TO CREATE

A NEW WORLD

1. Roll the dice and match the number rolled with a row on the chart.
2. See what type of 'space stuff' is on that row (in the '1st Roll' column).
3. Draw the 'space stuff' around the globe as a background.
4. Roll again, match the number rolled to a row on the chart and see what type of sky you will use to add additional detail to the background.
5. Continue to roll the dice and add features to your world. Use the images as a guide.
6. Decorate your world with colour and patterns.
7. Write the name of your new world on the base of the globe.
